

LEARN THROUGH PLAYFUL DISCOVERY

CRAFTKI is your go-to resource for **printable activity packs** that inspire curiosity, creativity, and independent thinking in children. Our **worksheets** are designed to make learning fun and engaging across key themes such as:

 Science & Nature  Geography & Culture  Arts & Crafts
 Sustainability & Everyday Life

✨ OUR PHILOSOPHY

- Learning happens best when children are engaged, curious, and free to explore.
- Educational resources should be accessible, hands-on, and screen-light.
- Creative thinking and problem-solving are lifelong skills nurtured through play.

PLANETS IN OUR SOLAR SYSTEM

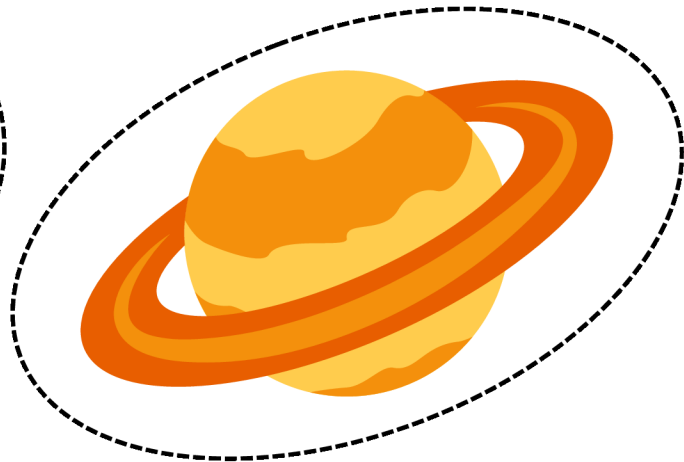

Get ready to make your own solar system. First, **cut out** the planets. Then, use glue to **stick** them onto your "My Solar System" sheet. Have fun!

URANUS

EARTH

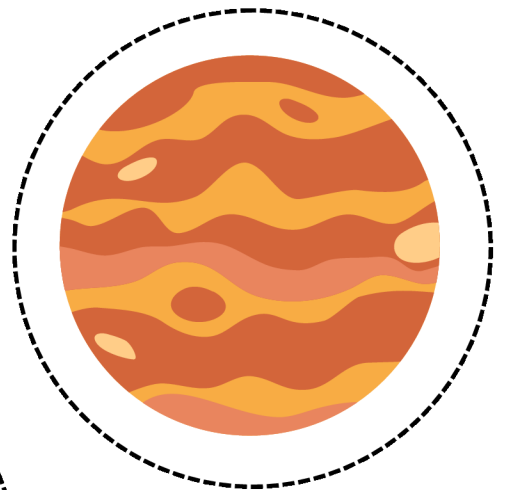

SATURN

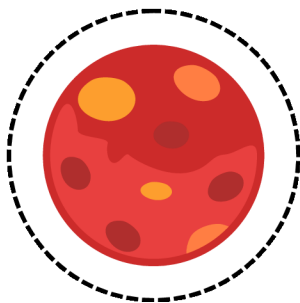

VENUS

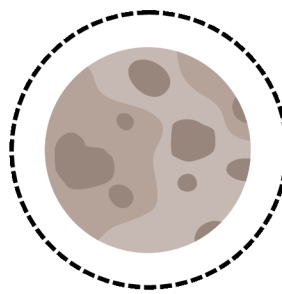

NEPTUNE

JUPITER

MARS

MERCURY

MY SOLAR SYSTEM

Get ready to make your own solar system. First, **cut out** the planets.
Then, use glue to **stick** them onto your "My Solar System" sheet. Have fun!
